SOS EMERGENCY PROTECTION

Take your personal safety to the next level with our dual layer emergency alert system:

1. Portable 4G GPS SOS Device

- Real time location tracking.
- Built in SOS button for quick activation.

2. Mobile App SOS Button (included)

- Instantly alert our control room from your phone.
- Sends GPS location and begins live audio stream.

Our emergency team monitors alerts 24/7 and dispatches armed response within minutes. Perfect for:

- Interstate travelers
- High risk zone movements
- Individuals who require immediate emergency response
- Senior Citizens
